Vice President
Executive Office

December 23, 2011

James Koutoulas

Dear Mr. Koutoulas:

This is to inform you that JPMorgan Chase Bank, N.A. would like Typhon Capital Management LLC, Khaos Enterprises Inc (the "Companies") and you to move your respective banking relationships to another financial institution.

To ensure an orderly transition, we will maintain the existing deposit accounts and services related to the deposit accounts until February 28, 2012. If you and the Companies have not closed these accounts by February 28, 2012, the accounts will be automatically closed and all their related services terminated. If there is a positive balance in a deposit account after all outstanding transactions have cleared, we will send a check for the balance (less any outstanding fees and service charges) to the above address. Therefore, if you wish to avoid unnecessary disruption to cash flow and business, please act promptly to open accounts with another financial institution and transfer business before February 28, 2012.

Sincerely,

A handwritten signature in cursive script that reads "Ann Stankiewicz".
